Offering 89 well appointed rooms, Leura Gardens Resort has a range of comfortable accommodations, including studios and self-contained apartments with garden or pool views.

Restaurants

Leura Gardens Resort provides a delightful breakfast experience serving a variety of delicious hot and cold selections.

Our History

Leura Gardens, created in the 1920s by Lady Mabel Fairfax and Hector Hood, combines English and Japanese garden styles with a variety of trees, rhododendrons, and a tranquil stream. Though the original house was lost in the 1957 bushfires, the gardens endured and have evolved over time. Today, they offer a serene escape, ideal for a peaceful stroll or picnic.
